1977

This book is dedicated to Mr. Leo Paquin.

Mrs. Leo Paquin, Mr. Paquin, and Fr. Wood. Mr. Paquin is addressing the Xavier family on the occasion of his retirement celebration, December 8, 1976.

One cannot but utter a great "Amen", so be it, to the decision of the Xavier Students to dedicate this Yearbook to Leo F. Paquin! The significance of their choice may be occasioned by his retirement after forty years of service to Xavier, but reflects a deeper and sincerer perception.

A student can know a teacher well and learn a great deal from him, as an athlete can from a coach, but a boy can evaluate a man who is a teacher in a more significant way. He measures the man as a person by what he believes, how he reflects and lives what he professes to be. On this level, in this mode, a teacher enters into the significant challenge of his profession and becomes an enduring influence in the lives of his students.

Leo Paquin has been such a teacher and such a coach for his many years at Xavier. To measure the extent of his influence is not humanly possible. His students are scattered far and wide. But wherever and whenever one meets Xavier men, one always hears of what Xavier's Leo Paquin has meant to them — the example of a Christ-like man, dedicated to loving service to Xavier men. He has always lived for all of us what he professed to be.

Sincerely in Our Lord,

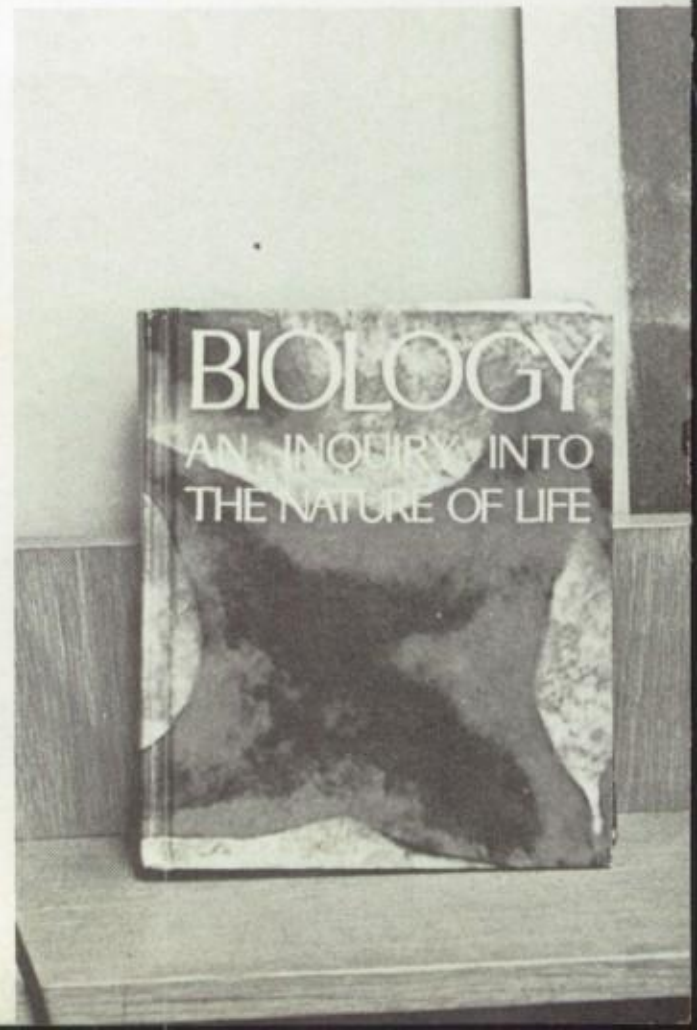

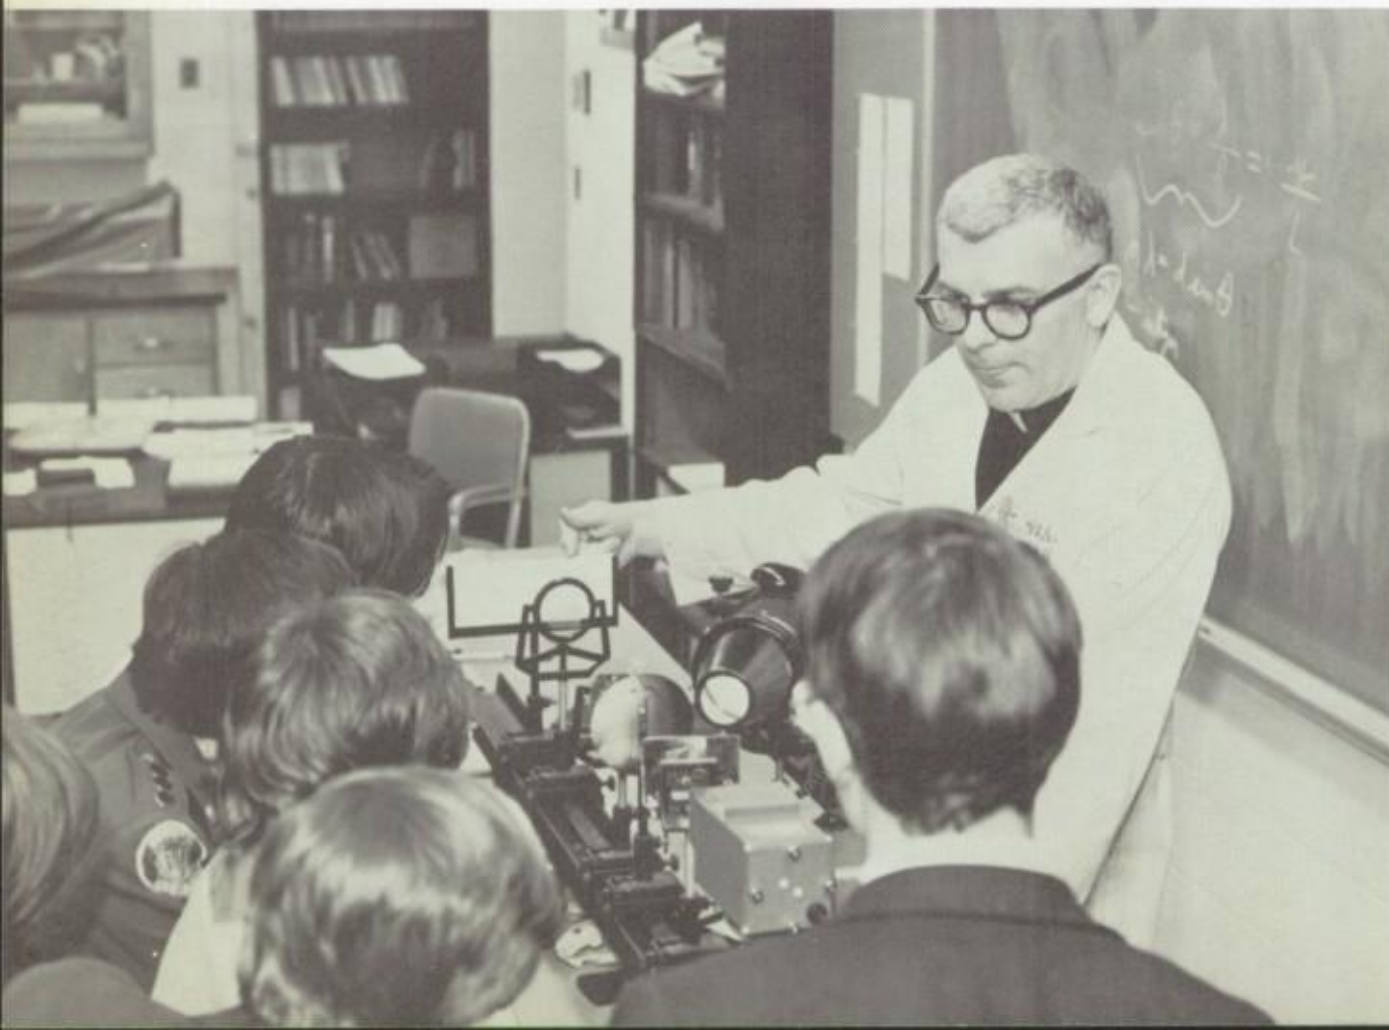

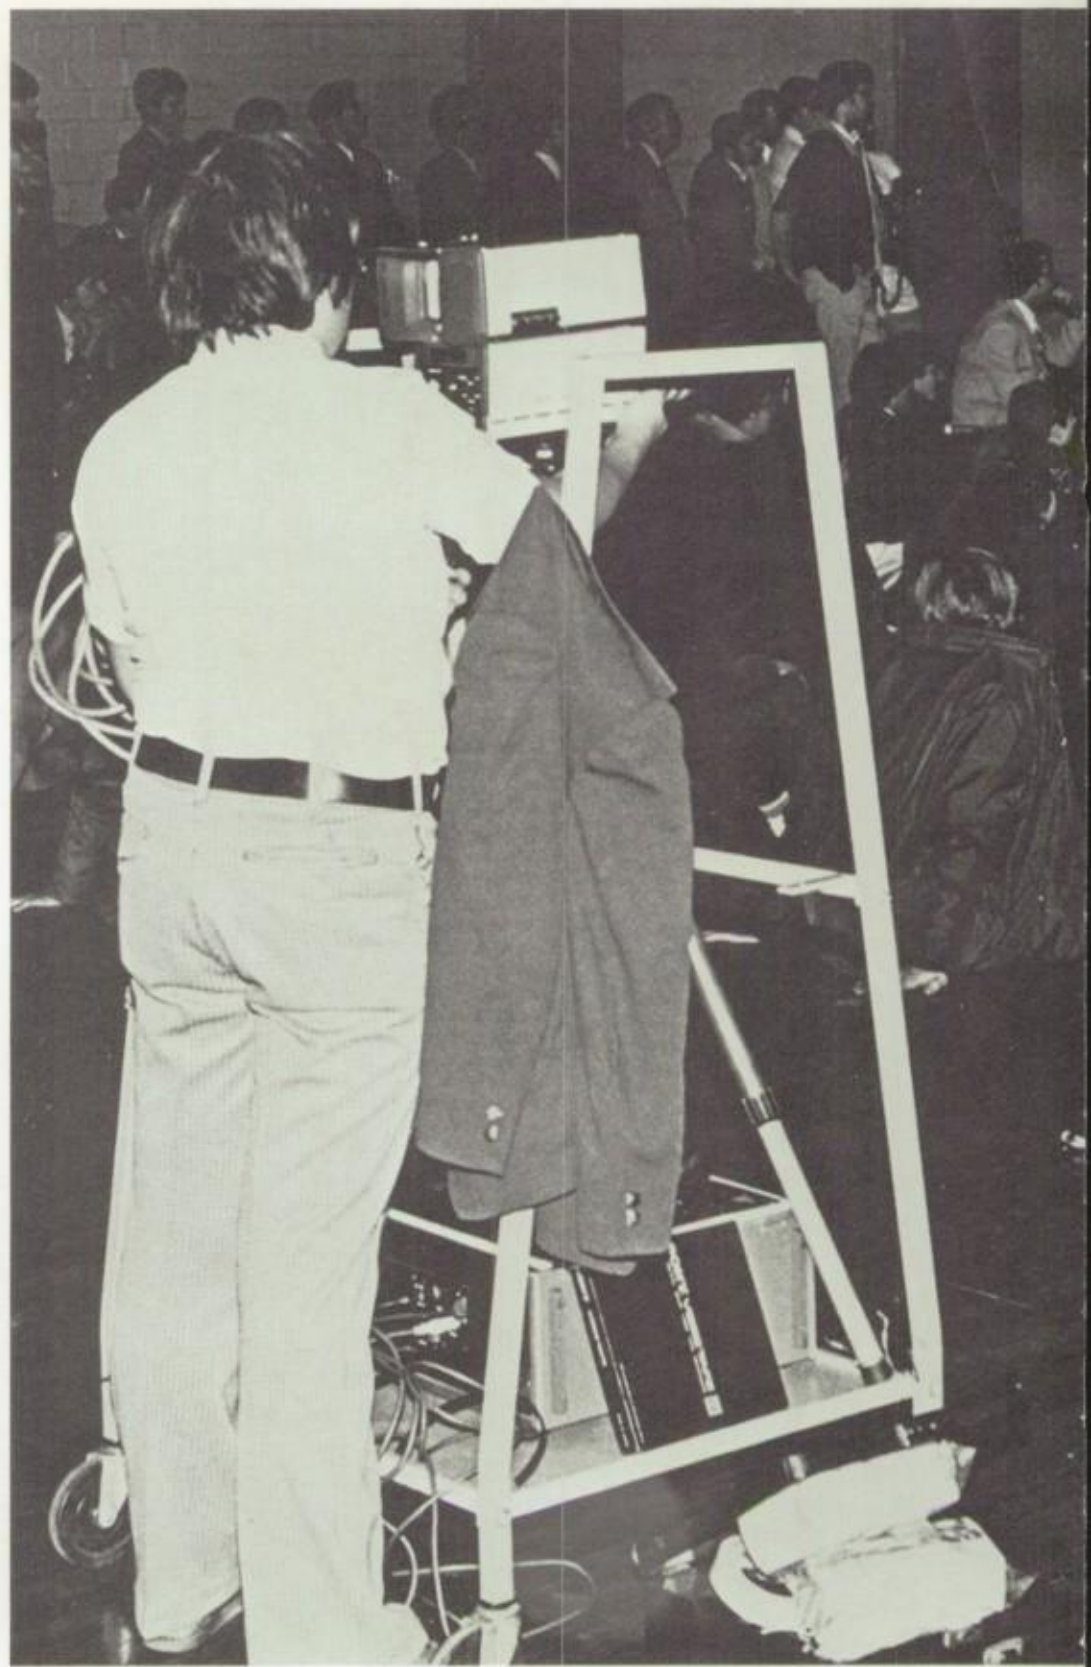

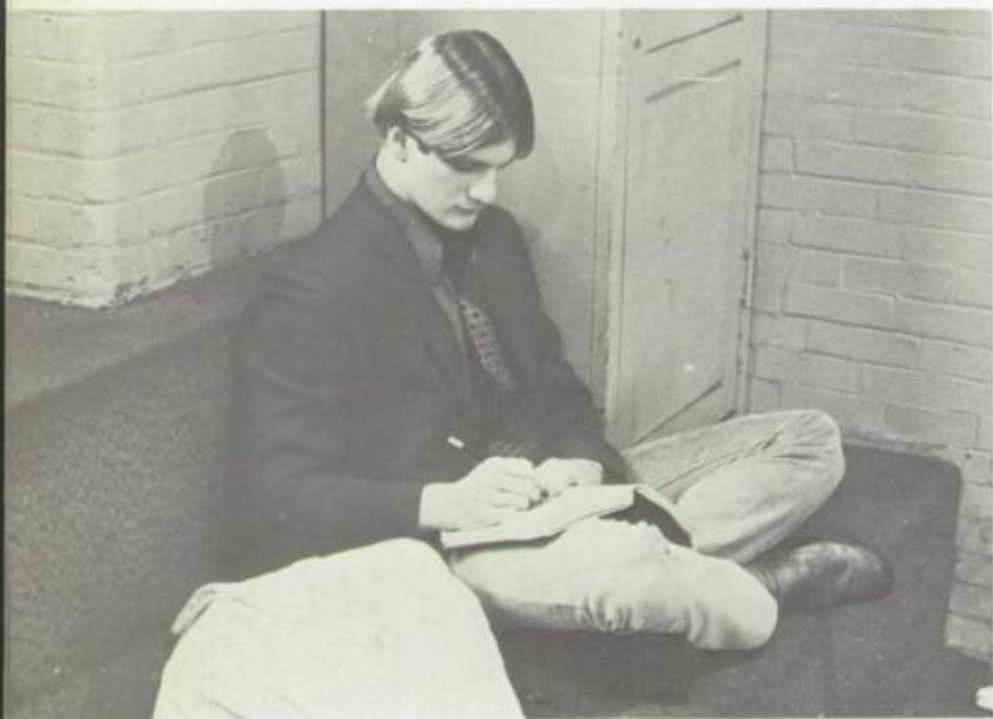

William T. Wood, S.J.

Activities

Xavier Council

This year the Xavier Community Council consisted of fewer representatives, but, hopefully, worked with greater efficiency. These thirty-eight men were members of at least one of the council's eight committees: Issues and Answers; Commons; Dance; Publicity and Spirit; Special Events; Communications; Middle States; and the Student Exchange.

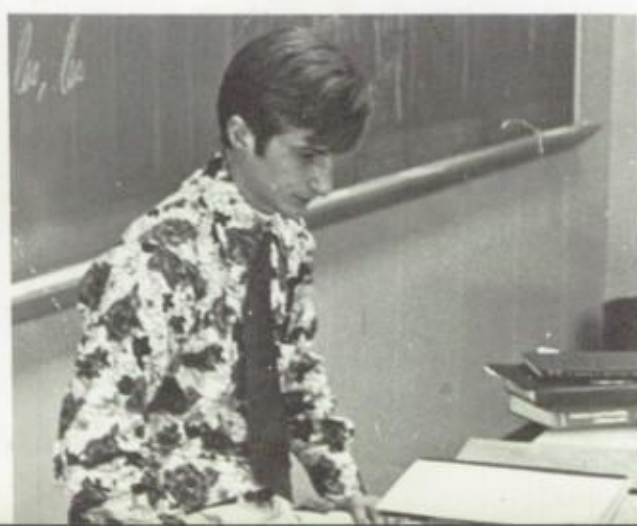

One of the purposes of the council was to establish closer relations between the faculty and students at Xavier. In addition, the council worked to maintain high standards of education, school spirit, and honor based on pride. Providing democratic school government representation and participation of the student body in school affairs and promoting the general welfare of school and community were also goals of this year's Xavier Council.

Some of the council's accomplishments included the coordination of Freshman Orientation; participation in Open Houses and High School Information Days for eighth graders; planning of the Mini-Course Day; organization of school dances; operation of the Commons; and sponsoring the World Hunger Project and the March of Dimes' SUPERWALK.

Under the leadership of Lucas Ferrara, Sean Coyle and Bob Haskins, the council worked closely with the administration and faculty, especially with its tireless moderator, Fr. Boller, S.J., Dean of Co-Curricular Activities. We thank Fr. Boller for his time, patience and encouragement.

Higher Achievement Program

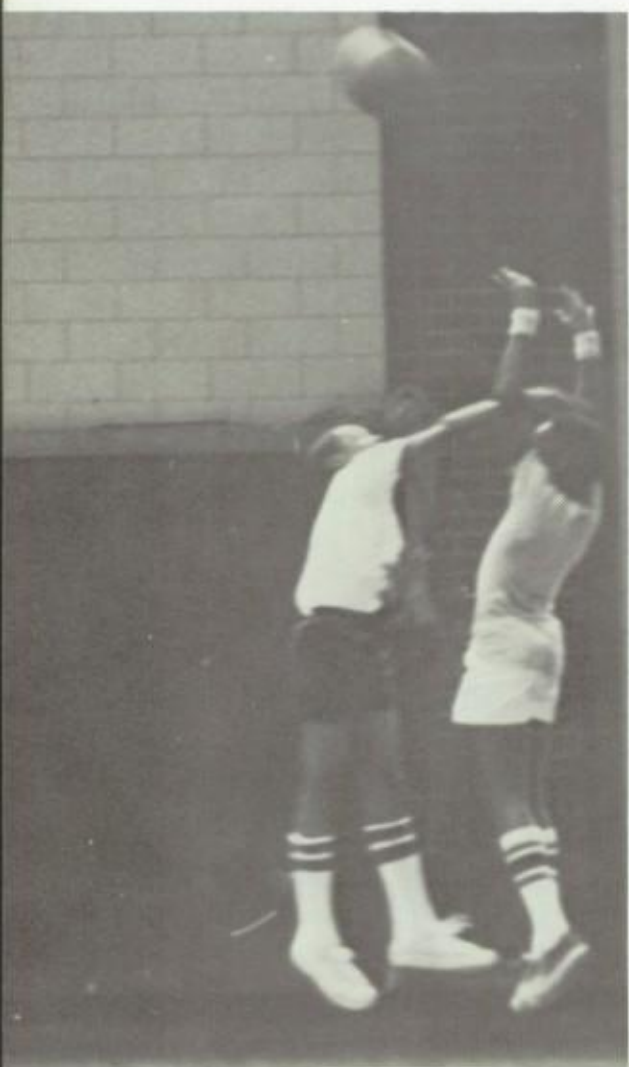

During the summer at Xavier, a program is run to help boys entering the eighth grade prepare for the co-operative exam in October. Classes in the morning and sports in the afternoon — that's the JESUIT HIGHER ACHIEVEMENT PROGRAM.

For this program to be as effective as it is there are many people whose help is needed. Most of these people are your fellow classmates and teachers at Xavier. Robert Celestin, Raymond Whiteman, Robert Marquetti and Robert Flores taught reading skills and ran a basketball program. Charlie Credle, Gil Maldonado and Greg Howard worked on the reading program and a sports program too. Mr. Galbraith taught Math, Mr. Caesar taught English and coached the basketball team and Fr. Flynn, S.J., directed the whole operation.

As a reward for the Xavier students' work the HAP students each year elect a "Tutor of the Year" and an "Outstanding Freshman Tutor." In the summer of '76 Sydney Jones and Russell Colding took those prizes home.

Newspaper

The REVIEW began the 1976-77 year under the guidance of Fr. Lux for the second consecutive year. The year began smoothly with the same format as last year, with the exception of one or two minor changes. As the year progressed, the editors were confronted with the challenge of a new layout for the paper. However, the editors and their staff responded well. A hectic schedule of events made it difficult to meet deadlines, but the paper always turned out to be informative, readable and imaginative. Even the Sports Page, always chock-full of last minute confusion and yelling (by Fr. Lux), turned out to be extremely well done by the staff.

Everyone agreed that the year turned out to be very enriching and enjoyable for all involved. Now that the new system is firmly entrenched, next year's staff should have a slightly easier task in putting out a paper. An excellent Junior staff is waiting to fill the shoes of the outgoing Seniors and they should also be able to carry on the tradition of the Xavier REVIEW.

Special thanks are in order to Fr. Lux, without whom the paper would not have been what it was (and also for putting up with us for a whole year).

Yearbook

This year's edition of the Yearbook really got off the mark in early October when the staff agreed unanimously to dedicate the book to Leo Paquin. What else were we to do, faced with the enormous contribution by Mr. Paquin to Xavier for forty years? As teacher, coach, and a true Christian gentleman, Mr. Paquin spoke quietly, but demonstrated eloquently what Xavier is trying to inculcate in its students. Such a fine person truly shows what Xavier is all about in its academic life, its fine athletic program, and, most importantly, its deep commitment to Christian service. Such themes we have tried to weave through certain sections of the book.

Inspired by such a person as Mr. Paquin, the staff began the blood and guts work of putting all the pieces of the puzzle together. Most of these pieces came from the Photo Staff under the moderatorship of Fr. Briceland, S.J. The members of his staff strove to keep pace with our many and insistent requests for photographs of all kinds. The Photo Staff's work was strongly complimented by the untiring efforts and interest of Fr. O'Leary, S.J., who assisted the Yearbook staff with an enormous amount of first rate photographs. Fr. O'Leary was truly at our beck and call and, we believe, the book would have been severely delayed if it were not for his generosity and professionalism.

Rifle Team

This year's Rifle Team has followed a long-standing Xavier tradition of winning many awards for excellence. The two most prized were the 1975-76 First Regional Championships and the 1975-76 National J.R.O.T.C. Championships. This year's varsity, Seniors Richard Gallego (team captain), Ernie Belfiore, Charlie Dunn, Steve Wuest, and Junior Pat Ryan, more than withstood the challenge of other high school teams. In addition, the Rifle Team fared well against college teams as it has in the past.

The depth of this year's team lies in its back-ups, Juniors Charlie Carames, Steve Fiorica, Blaise Ferrandino, and Sophomore Tom Iacobellis.

The Xavier Rifle Team's success is due to many hours of practice with its coach MSG Fluker. Due to its dedication the Rifle Team will continue to be one of Xavier's winningest teams for many future years.

X-Squad

The X-Squad is made up of the elite of the military program. Its competitive spirit and high standards have set the pace for the Regiment. This year's squad was composed of many new men, but they quickly proved their ability to maintain the X-Squad's tradition of winning. Although the squad was without weapons for the first half of the year, its members handled the pressures of intense drilling well and went on to take trophies in their first competitions.

The members of the X-Squad wish to thank CPT Casazza, our commander, and MSG Mason, our moderator, who have helped us overcome obstacles and carry on in the winning tradition of Xavier.

Sports

Football

The 1976 Xavier Bruins embarked on one of their most ambitious football schedules in recent memory. Week after week the Bruins were pitted against the best high football teams in New York City as new members of the Catholic High School Football League.

The Bruins quickly found that due to the fierce competition in the league, a near perfect game was needed for them to win. After a close 32-26 loss to the Cardinal Spellman High School Team that was ranked fifth in New York City and a 16-14 loss to Holy Cross High School that was ranked seventh in the City, the Bruins finally beat Mount Saint Micheal 28-26.

In the final traditional Thanksgiving Day game against Fordham Prep, the Bruins exploded for 33 points in the second half to beat Fordham 40-30. The victory was particularly pleasing to the team since Mr. Leo Paquin was presented with a plaque at half-time acknowledging his many years of service to Xavier as teacher and coach. The team is most grateful to its coaches, Messrs. Galbraith, Carpenter, and Matthews for their long hours of hard work and sacrifice.

Basketball

After a difficult season last year, the Xavier Warriors came into the 1976-77 season with high hopes because of the return of seven lettermen. Captain Kevin Curran finished his three year varsity career by leading fellow Seniors Jim Daly, Dan Iesu, Vin Leone, Kevin O'Donnell, and John Young and Junior starters Ed Gooding, Tim Daaleman, and Joe Andrews to Xavier's first divisional title in the C.H.S.A.A. A first round loss in the city playoffs was a disappointment to the team, but could not put a damper on a season that saw the Warriors battle successfully in the city's toughest division. Mention should be made of Ed Gooding's outstanding individual performance which placed him among the top scorers in the city.

Six members of this year's varsity will return next year. The places of the graduating Seniors will be taken by members of the Junior Varsity which also finished on top in its division. Although the J.V. also lost in the first round of the playoffs, this blending of experienced veterans and talented underclassmen should keep the basketball team among the powers in the city for the next couple of years.

Xavier's basketball program is coordinated by Mr. Matt Clarke, the Head Coach, Mr. Tom Carpenter, the J.V. Coach, and the Varsity Assistants, Franklin Caesar and Tom Moore.

Swimming

The Xavier Dolphins set high goals for themselves during the 1976-1977 season. Among them were winning the CHSAA Dual Meet Championship as well as the CHSAA Individual Championship.

On the way to achieving these twin goals, the swim team, under the leadership of Co-Captains Charlie Goerke and Eugene Joyce, had a very impressive season with an overall record of 9 wins and 1 loss. Xavier remained undefeated in CHSAA Dual Meets for the fourth consecutive year and ended the local season by capturing the CHSAA Individual Championship over eight other schools.

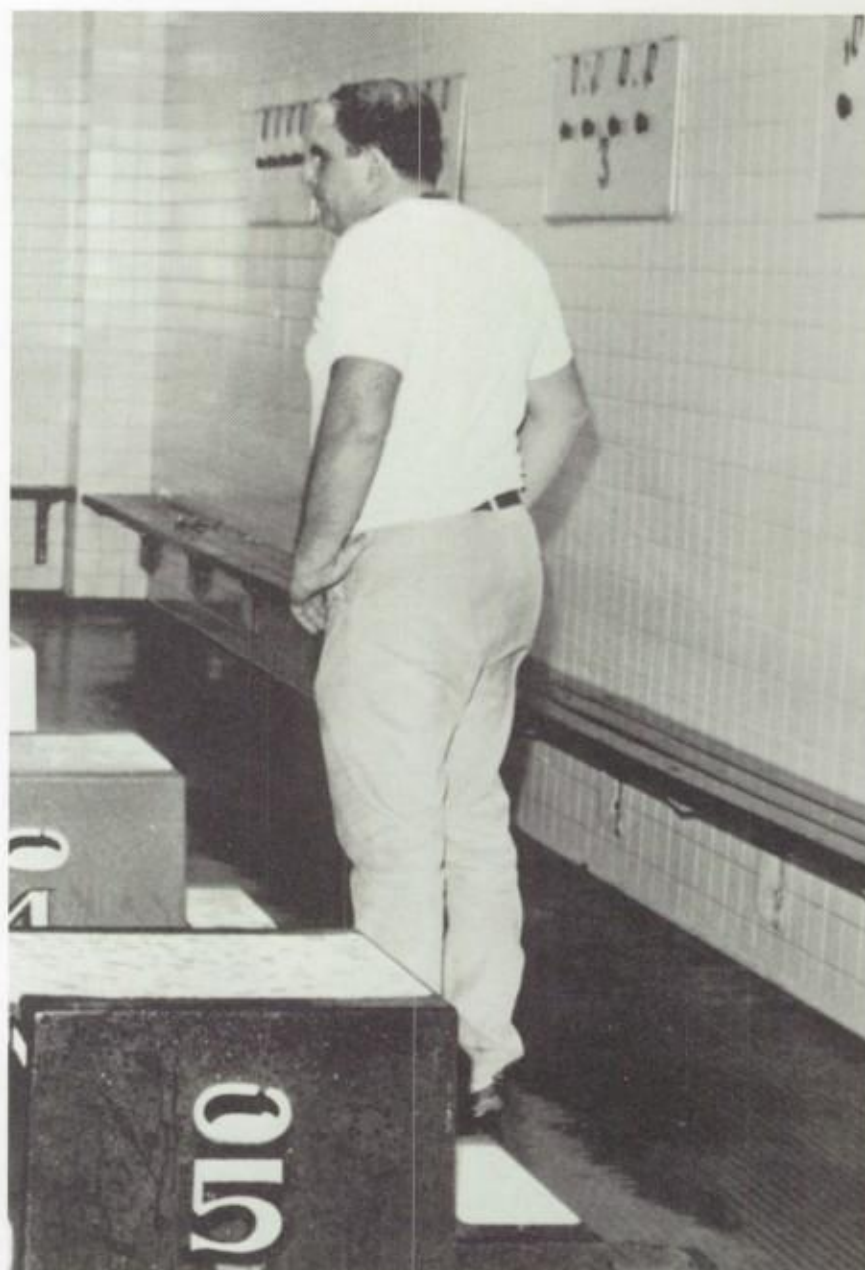

On the national scene the Xavier Dolphins placed sixth at the National Catholic Swimming and Diving Championships at Villanova. This sixth place finish was Xavier's finest showing ever. Five Seniors then competed at the Eastern Interscholastic Swimming and Diving Championships in Lawrenceville, N.J. and all performed well.

Throughout the year countless school and league records were shattered. Eugene Joyce broke the 100 yard butterfly and 100 yard breaststroke records. Mickey McDonald set new records in the 200 yard individual medley and 100 yard freestyle. Charlie Scheid established records in both the 200 and 500 yard freestyle. In addition records in the 400 yard freestyle relay and the 200 yard medley relay were rewritten.

A great deal of the swim team's success is due to the continuous dedication and hard work of three fine individuals. Our thanks to our coaches, Mr. Len Galluzzi and Mr. Bill Eickelberg, and to our moderator, Fr. Hoag, S.J.

Track

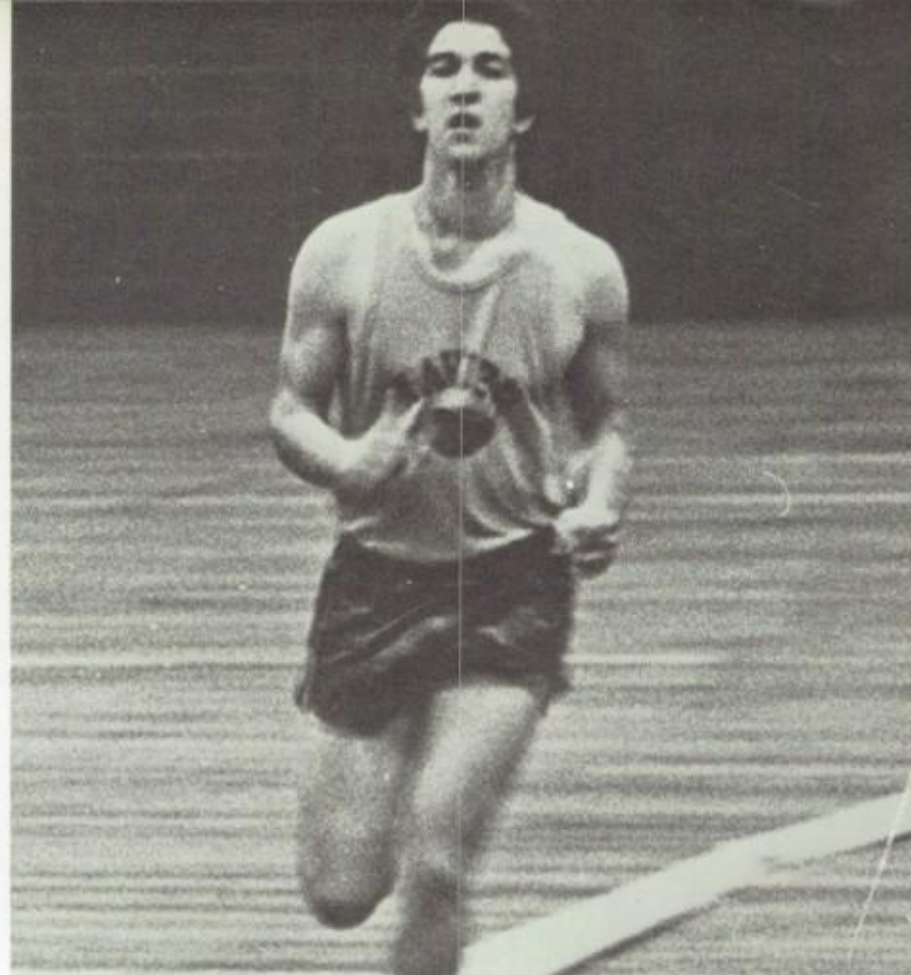

The Harriers capped a stunning indoor season by capturing victories in the sectional Junior-Midget Championships and in the Jesuit Relays for the seventh time in the last eight years. The Junior-Midgets finished third in the city championships. Inspired by the victory by Doug Powell in the 100 yard dash, the team achieved its best performance in this meet in many years.

One of the reasons for the team's success is the leadership displayed by team Captain Mark Eaton. The other seniors who contributed to the team's winning ways were Joe Cavazzini, Joe Greene, Paul Guglielmo, Kevin Hanrahan, George King, Luis Morales, Joe Richardson, Greg Sosa, Louis Sanders, Rich Twomey, and Jim Wartski. Although the team is losing these fine runners, the underclassmen should be able to fill their spikes. Thanks are due to the dedication and hard work of our coaches, Mr. James Scott and Mr. George Febles.

Bowling

For the last few years Xavier has had an enthusiastic group of students involved in its intramural bowling program. This year, however, bowling has returned to the Xavier sports' scene on an interscholastic level. Through the combined efforts of Fr. Kenneth Boller and Intramural President Junior Ken Switnicki, Xavier has placed a powerful team in the Catholic High School League.

In the fall the team realized that its first year would be a challenging one, but led by Seniors Lance Lavender, Bill Materese and Perry Tyner, and Captain Ken Switnicki, the team marched to victory after victory. The team was rounded out by the consistent performances of Juniors Terry Czopyk and Dominick Gadaleta.

After a narrow opening loss to defending champion Mt. St. Michael, Xavier strung together victories over Cardinal Hayes, All Hallows, St. Nicholas of Tolentine, Rice and St. Agnes, while compiling a winning percentage of .688 in the first half of the year.

Much of the credit for the Bowling Team's success must be attributed to Fr. Boller. Despite his very busy schedule and his responsibility for the entire co-curricular program, he always seemed to find the time to encourage the team and plan with it the overall structure, not only of the team, but also of the entire intramural bowling program. With such a fine beginning, the team can only hope for even greater success in the future.

L. Lavender, K. Switnicki, T. Czopyk, D. Gadaleta, P. Tyner, Fr. Boller, S.J.

*Xavier has given us
moments of great joy.*

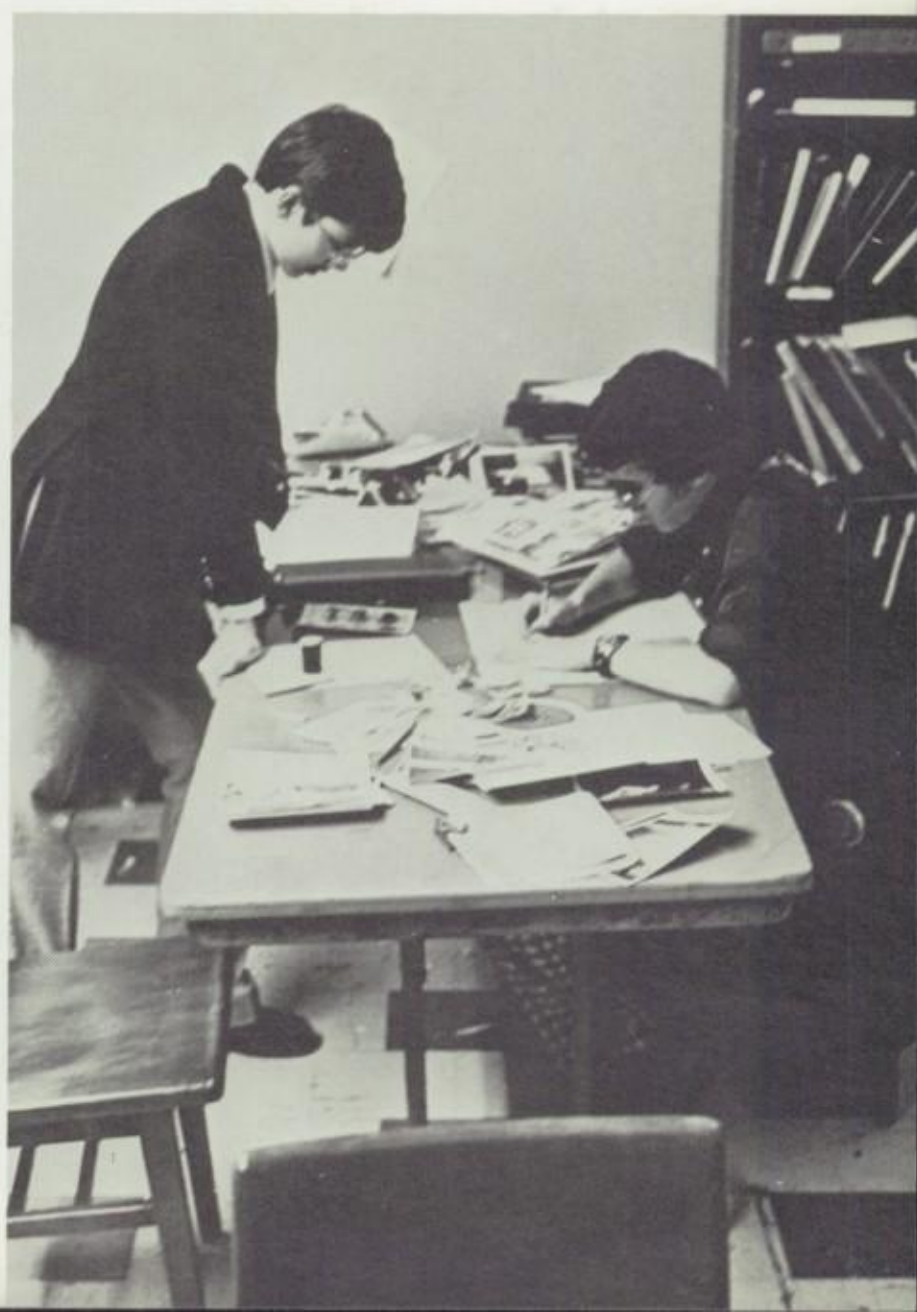

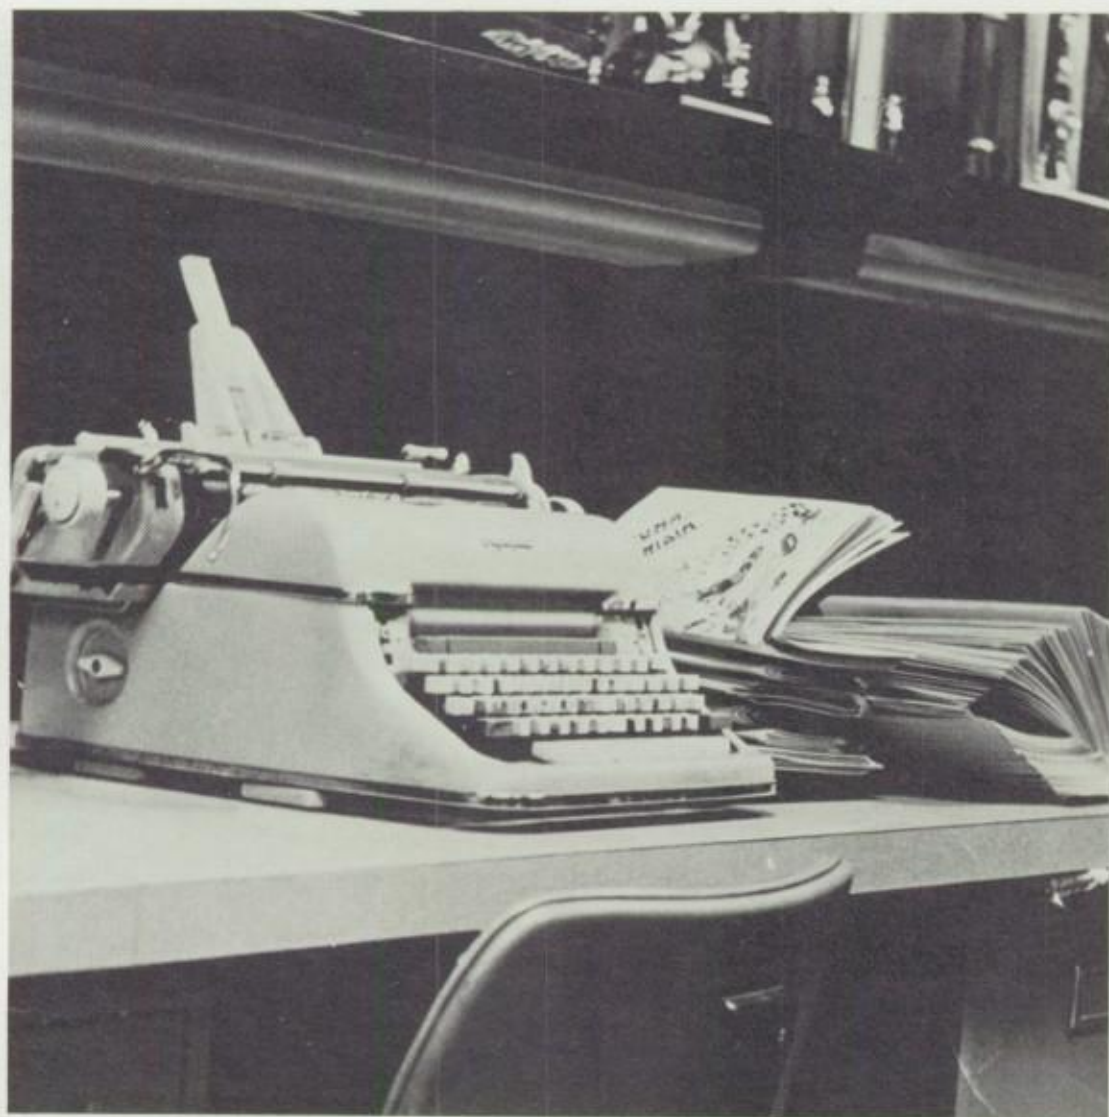

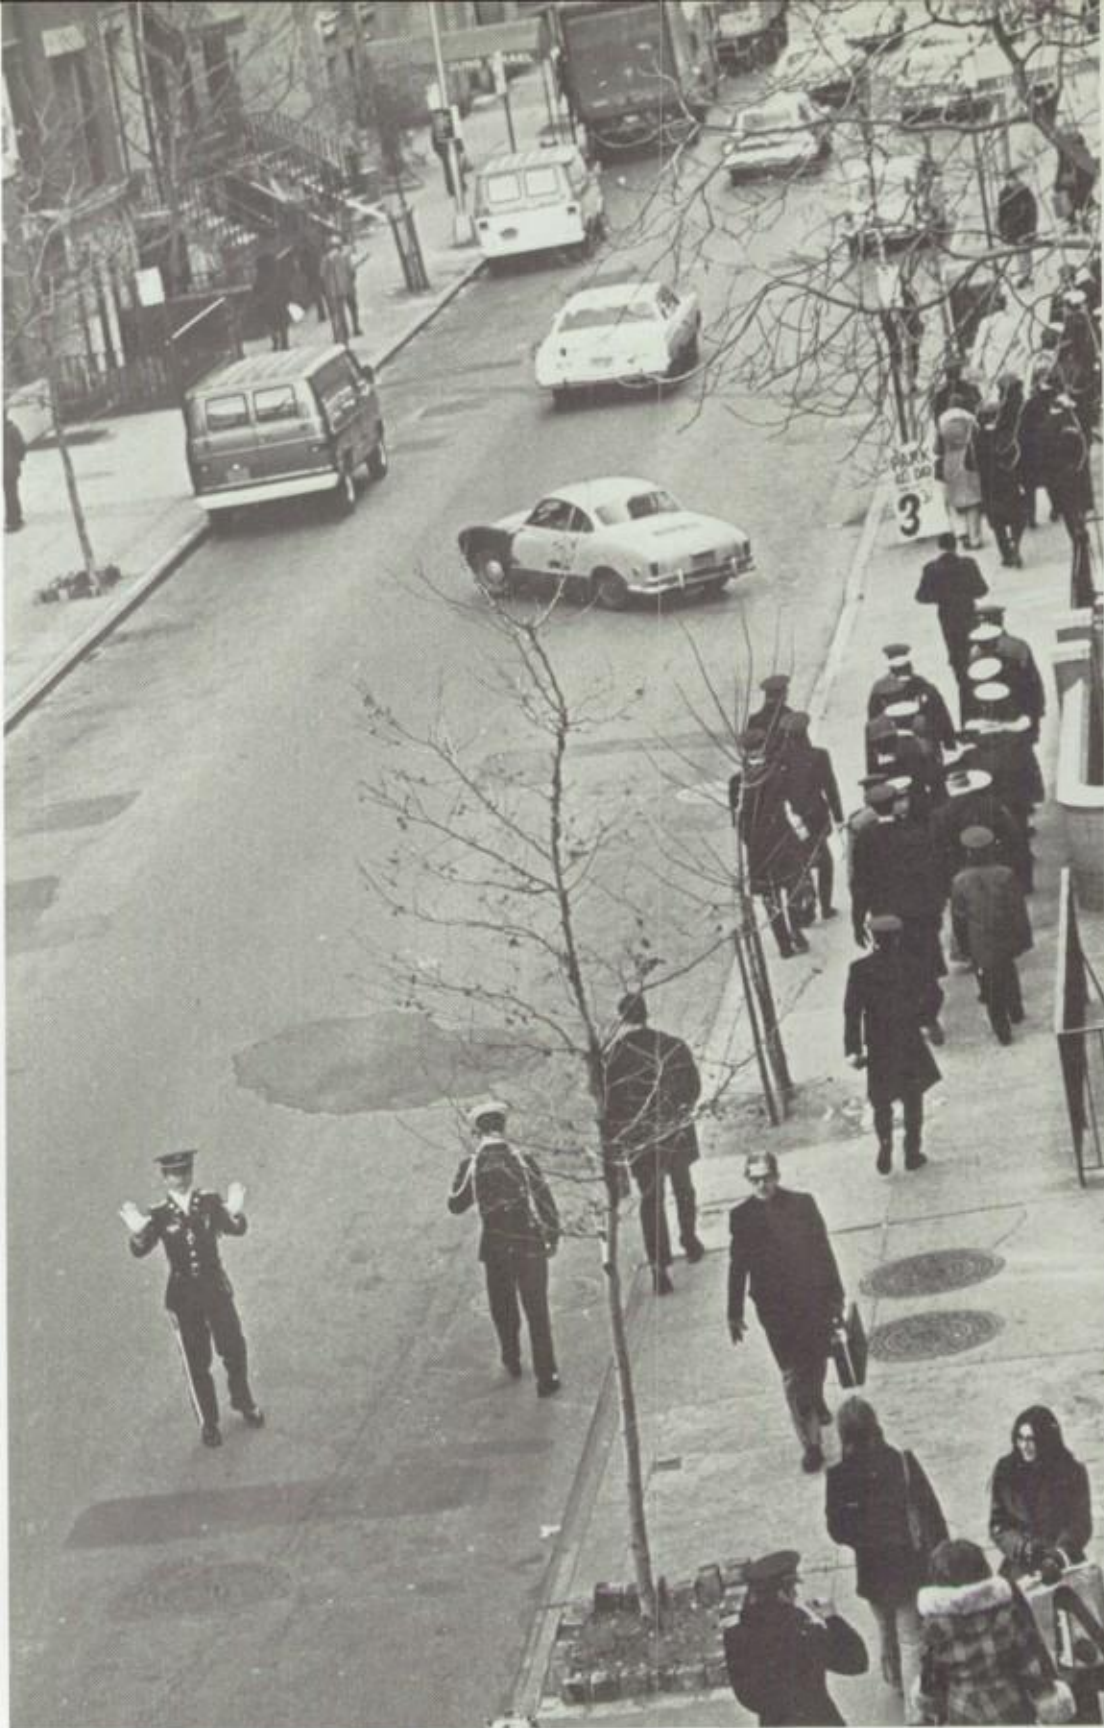

We now hope to live what we have

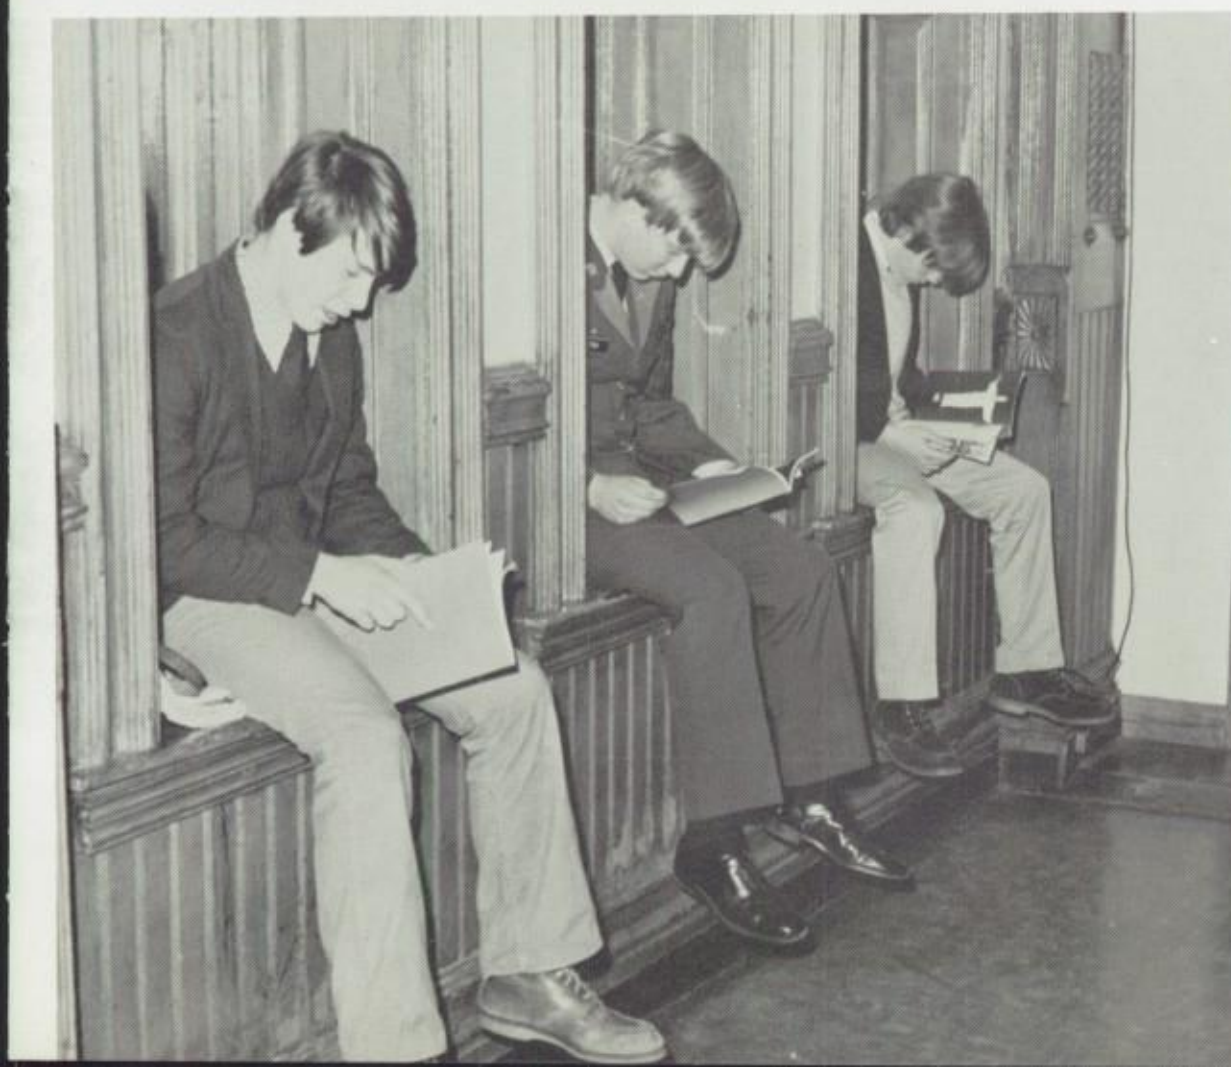

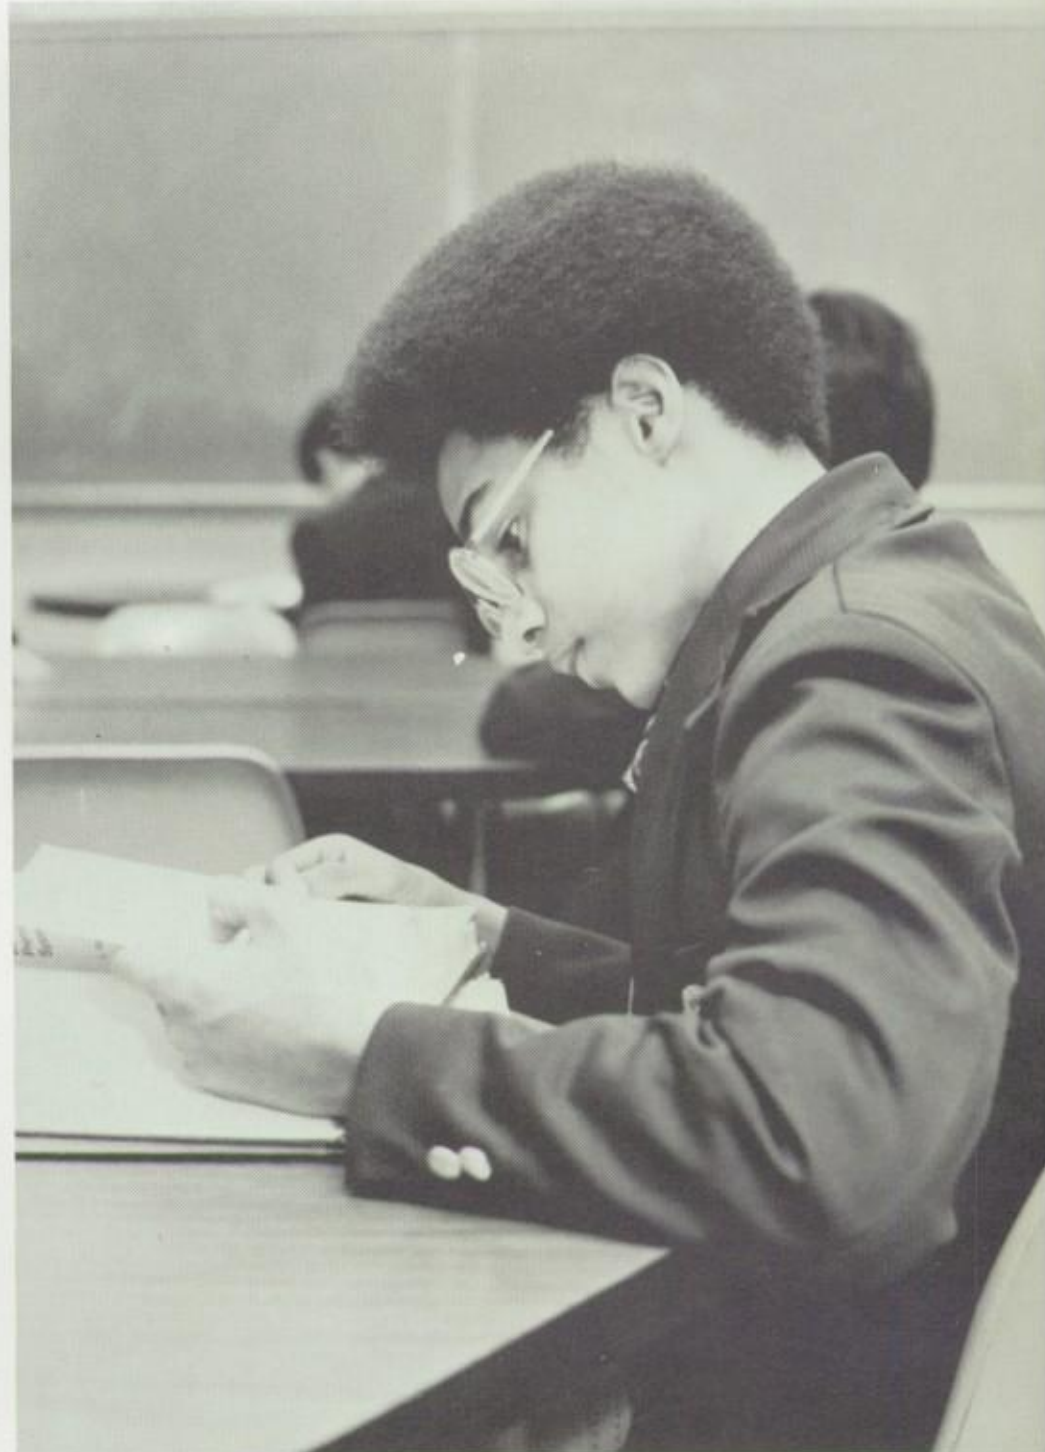

learned here.

*Where we go from here
is our responsibility.*
